STARRED QUESTION NO:68
ANSWERED ON:21.07.2016
Manpower Requirement in Aviation Sector
Misra Shri Ajay (Teni)

**Will the Minister of CIVIL AVIATION be pleased to state:**

(a) whether the Government has assessed the requirement of trained manpower in aviation sector, in the light of more than twenty per cent growth in the sector, if so, the details thereof;

(b) whether a large number of youth who have successfully completed aircraft maintenance and operation course are still unemployed;

(c) if so, the details thereof and the reasons therefor; and

(d) whether the Government has or proposes to formulate any plan for providing employment to such trained youth in the aviation sector and if so, the details thereof?

## Answer

Minister of CIVIL AVIATION

(Shri Ashok Gajapathi Raju Pusapati)

(a) to (d): A Statement is laid on the table of the House.

Statement to be laid on the table of the Lok Sabha in reply to Starred question No. 68 dated 21.07.2016 regarding "Manpower Requirement in Aviation Sector".

(a): As per a recent study conducted by Ministry of Civil Aviation, based on the trends witnessed in various sectors that the industry would provide direct employment of about one million persons by 2035.

(b) to (d): The employment details of trained manpower in the Aviation Sector is not maintained by Directorate General of Civil Aviation (DGCA). However, 47 DGCA-approved Aircraft Maintenance Engineering (AME) institutes can admit about 2400 students per year and till now, DGCA has issued licences to 13433 personnel, which includes type rated licence and basic licence. Employment in the sector is industry-driven. However, this Ministry together with the Ministry of Skill Development & Entrepreneurship has constituted an Aerospace & Aviation Sector Skill Council (AASSC) under the National Skill Development Authority (NSDA) with the mandate to develop 70 Job Roles in aerospace and aviation sector.
